MEMORANDUM:

TO: Joseph A. Ball and David Belin
Special Deputy Attorney's Office
Dallas, Texas

FROM: Burton Hollis

I hope that while you are in Dallas you will ask Carroll's
boss at Hall & Hadley to determine whether Carroll is by
any means, and, if they were, whether Carroll had any
relevant dealings with either Mrs. Paine or Mrs. Roberts.
I have been reading a document entitled "Oswald, the
Impossible Assassin" by a Frenchman who apparently
visited Oswald's room and writes with a point of view
very favorable to Oswald's position.
